PARTS:

- [Maker Tape](#) (1)
1/4" Wide
- [5mm Clear LED](#) (1)
- [CR2032 Battery](#) (1)
- [Printable Template](#) (1)

Step 1 — "My Heart Hertz" Valentine's Day Card

- Insert wisdom here.

Hertz is a unit of measurement for cycles per second. If you used a blinking LED, how many cycles per second can you count????
