

Beskar Welder Card

Celebrate that special day in May with a fun light-up card featuring everyone's favorite baby alien caretaker!

Written By: Andy Wallus

TOOLS:

- [Scissors](#) (1)
- [Hot Glue Gun](#) (1)

PARTS:

- [Maker Tape](#) (1)
1/4" Wide
- [CR2032 Battery](#) (1)
- [5mm LED](#) (1)
- [Printable Template](#) (2)

Step 1 — Beskar Welder Card

- Tip 1: You may need to bend the LED and the 3D plate a bit AFTER the build so that the LED remains hidden behind the lip.

Step 2

- Tip 2: In the dark, pinch and release at the lower left corner to cause the light to flicker and make it look like he's really welding!
