

Jumpy The Frog

A moving cube frog.

Written By: Joshua

INTRODUCTION

This silly cube frog likes to jump around! Just cut out the template, fold along the dotted lines, and add in the electronics. Make your own pull tab to turn it on and off.

TOOLS:

- [Scissors](#) (1)
- [Glue](#) (1)
- [Clear Tape](#) (1)

PARTS:

- [Origami Circuits Kit](#) (1)
